SCIENCE CARE PROVIDES EDUCATIONAL PROGRAM FOR CALIFORNIA HOSPICE CAREGIVERS

PHOENIX, AZ (Sept. 19, 2008) — Hospice nurses, social workers, chaplains and administrators are invited to attend Science Care's Hospice Education Day, to be held on Friday, October 3, 2008. This free education program will honor hospice care givers for their commitment to patients and patient families during end-of-life care.

Keynote speaker Dr. Bruce White will lead an enlightening discussion about ethics in regards to several recent court cases such as Terry Schiavo's dramatic case. Dr. White is an ethicist, pharmacist, physician, lawyer, and extremely engaging speaker. He is the Academic Chair, Pediatrics and the Chief Pediatric Officer at Saint Joseph's Hospital and Medical Center's Children's Health Center in Phoenix, as well as a Clinical Professor of Pediatrics at Creighton University in Omaha, Nebraska.

"Science Care is committed to providing continuing education on the benefits of organ, tissue and whole-body donation

said Donna Goyette, Director of Community Relations. "This program helps to fulfill the Science Care mission while meeting the needs of the California hospice community."

-continued-

Hospice Education Day will take place at Descanso Gardens in La Canada Flintridge, and will include entrance to the Gardens for hospice care givers. This continuing nursing education activity was approved by the Arizona Nurses' Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Course ID 043-08, 2.5 contact hours.

To RSVP, call 602-288-0043 or e-mail rsvp@sciencecare.com. For more information about whole-body donation, call 1-800-417-3747 or visit www.sciencecare.com.

About Science Care

Science Care (www.sciencecare.com) sets the standard of excellence for the donation and responsible use of human tissues for medical research and training. Science Care's donation program contributes to a wide-range of essential and innovative medical developments including advanced physician training, surgical device development and neurological research, seeking cures for diseases and new prescription drug discovery. Accredited by the American Association of Tissue Banks (AATB) in Arizona and Colorado, as well as licensed by the state of New York Department of Health. For more information about Science Care contact 602.331.3641 or 800.417.3747.
