

## **Comerica Bank Arizona Companies to Watch**

Comerica Bank Arizona Companies to Watch (AZCTW) is a one-of-a-kind statewide award program that includes continuing education and networking opportunities for the companies honored annually through the Comerica Bank AZCTW Alliance. This is not just another awards ceremony; Comerica Bank Arizona Companies to Watch targets the universally overlooked market segment of second-stage companies. These privately held, Arizona-based businesses employ 6 to 100 full-time equivalent employees and contribute \$750,000 to \$100M in annual revenues to Arizona's economy. The Edward Lowe Foundation and ASBA will bring Comerica Bank Arizona Companies to Watch to Arizona on November 6, 2009 at the Sheraton Phoenix Downtown Hotel.

All told, the businesses that comprise Comerica Bank Arizona Companies to Watch tell a compelling story about the region's economy. Congratulations to the 2009 Comerica Bank Arizona Companies to Watch.
